EDUCATION

Software Development Certificate - Power Learn Project Scholarship Program

// February 2023 - Present

Bachelor of Science in Information Technology (Undergraduate Degree) - Jomo Kenyatta University of Agriculture and Technology

// May 2017 - April 2021, Nairobi
Graduated with a Second Class Honors Upper Division

Code Ramp Training Program Certificate - Moringa School

I acquired foundational skills in HTML5, CSS, JavaScript, Python, and Flask for web development.

Kenya Certificate of Secondary Education (KCSE) - Kitondo Secondary School

// January 2012 - November 2015, Makueni
Grade: B (Plain)

EXPERIENCE

Customer Experience Associate - Buymore Limited

// January 2023 - December 2023, Nairobi, Kenya
I was promoted for exceptional performance. I was responsible for delivering a high-quality customer experience. Specializing in up-selling and customer retention, adept at providing immediate solutions to challenges. Recognized for finding creative solutions to UX problems, including enhancing usability and findability. Committed to ensuring customer satisfaction through innovative problem-solving approaches

Product Intern - Buymore Limited

// August 2022 - November 2022, Nairobi, Kenya
I contributed to Buymore Limited's Product Department, specializing in digital solutions for retail businesses. Oversaw quality assurance and control, conducting thorough testing of new

features to ensure functionality and usability. Proficient in documenting test activities, both in writing and oral presentations. Acted as the user advocate in the software development process, reporting and tracking bugs. Additionally, collaborated with the sales team as a sales analyst, identifying customer needs to inform strategic product development with a focus on UX/UI concepts.

Data Capturer - Kenya National Examination Council (KNEC)

// April 2022 - December 2023, Nairobi, Kenya

I was responsible for accurate and organized data entry for the K.C.S.E class of 2021, 2022, and 2023.

I took pride in my work and strived to maintain the highest level of quality in all my data entry tasks. In addition to data entry, I was also responsible for organizing files to ensure that data was easily accessible when needed.

Debt Management Intern - Higher Education Loans Board (HELB)

// November 2021 - July 2022, Nairobi, Kenya

I worked in the Allocation Unit. I played a key role in diverse tasks, including netting and billing of matured loans, correspondence facilitation with employers and loanees for deductions and repayments, issuance of compliance certificates, stop orders, and clearance certificates. Responsiveness to customer queries and requests for service, along with the analysis of suspense data and waiver calculations, demonstrated a strong commitment to the role. Received positive feedback for satisfactory work ethics and efficient task execution.

County ICT Clerk - Independent Electoral and Boundaries Commission (IEBC)

// Aug 2022, Kajiado, Kenya

I was responsible for providing high-quality first-level ICT support services to the Returning Officer at the tallying center. Also prepared, configured, and tested KIEMS kits in readiness for the elections.

Voter Registration Assistant - Independent Electoral and Boundaries Commission

// Oct 2021 - Nov 2021, Kajiado, Kenya

As a VRA, I was responsible for the voter registration process in Matapato South Ward.
